Consent to Treatment: A Practical Guide, Fourth Edition Fay A. Rozovsky

Consent to Treatment: A Practical Guide, Fourth Edition is the single-volume, complete library of patient consent topics and solutions. Written by an experienced health care attorney and risk manager, this leading resource helps you formulate your own effective, voluntary and lawful consent policies and procedures - so that you can successfully limit liability and avoid litigation.

Described as "the Bible" on consent by health lawyers and risk managers and recently reviewed by the Journal of the American Medical Association (JAMA), **Consent to Treatment** has been cited in over 90 law review articles and 20 court decisions, including a landmark ruling by the U.S. Supreme Court regarding end-of-life choice-making.

Consent to Treatment helps you:

- Formulate and enforce effective consent policies and procedures
- Navigate consent topics - both common and complex
- Stay in compliance with state and federal laws on consent
- Provides solid case analysis on important issues in consent to treatment
- Use consent strategies to promote patient safety
- Offers practical risk management insights to mitigate potential for consent litigation
- And more!

Consent to Treatment, Fourth Edition has been updated to include:

- Sample Tool - Screening Emergency Department Patient Communication Needs
- Fact Sheet for the Recipient
- Sample Language - Tissue Storage Bank Information Sheet
- Live, Intranasal Influenza Vaccine 2009-10: What You Need to Know
