The Sovereign Order of Monte Cristo is a continuation of The Count of Monte Cristo (Book I), related through the voice of Sherlock Holmes and The Sultan of Monte Cristo (Book II). It includes exhilarating new adventures, characters, and ideas, carrying the reader past book I and II and into book III of an ever-expanding new series based on the classic. Those who have already had the pleasure of reading The Sultan of Monte Cristo will certainly appreciate the unique way in which the Holy Ghost Writer has expanded the original story without the help of anyone (except perhaps from the ghosts of Dumas and Doyle). This work also serves as a prequel to The Adventures of Sherlock Holmes.
