About Samantha Grace

Samantha Grace is a unique and, frankly, surprising young woman. A glamorous girl who loves to wear dresses, Samantha also likes Sci-Fi and is obsessed with Darth Vader. A seemingly quietly shy girl, she literally comes alive with energy in front of the camera. We are not talking about regular energy, but rather the thrashing, superwoman-kind energy that instantly becomes addictive and makes you want to push the shutter button for hours. No wonder Samantha is an accomplished model. Having worked with companies like Playboy and Maxim, Samantha is also no stranger to nude work. Samantha lives on the beach and tells us she absolutely loves it. In fact, when she is in a bad mood, all she has to remember is that the ocean is right across the street, and she instantly feels better. Sweet, intelligent, and classically beautiful, Samantha is a true catch!
