Television Criticism Victoria J. O'Donnell

Television Criticism, Third Edition by Victoria O'Donnell provides an introduction to critical analysis of television. Multiple critical perspectives on television—including rhetorical, cultural studies, representation, and postmodernism—are introduced as tools for greater understanding and appreciation of television programming. Illustrated with contemporary examples, this updated third edition includes a new extended sample analysis of *The Big Bang Theory* and reflects recent changes in the ways television is viewed across multiple devices and the impact of the Internet on television.
