**The British Library: the Additional and Egerton Collections (INDEX OF IMAGES IN ENGLISH MANUSCRIPTS)** Kathleen L. Scott

This is a new volume in a continuing series of publications listing and identifying all illustrations contained in English manuscripts from the time of Chaucer to Henry VIII. This was an important period in the history of English book production, and the range of subject-matter illustrated is of significance to historians of art, religion, literature, costume, natural science, and social custom. The present volume catalogues manuscripts in the Additional and Egerton Collections of the British Library.
