## **Academic Advisement Program** Lisa King

This innovative, easy-to-implement, school counseling program was developed to meet the needs of academically at-risk students. It combines both group and individual sessions to cover competencies including:

Stress Management  
Goal Setting  
Avoiding Procrastination  
Organization  
Motivation  
Testing Skills  
Learning Styles

Also included in this unique resource are:

Reproducible Worksheets (yields a great student workbook)  
Letters to Parents in Both Spanish and English  
Articles for Parents by Professionals  
Lesson Plans for Group Content  
Ideas for Icebreakers

This program is a new way to allow students to become accountable for their school success.

### From reader reviews:

#### David Stokes:

Why don't make it to be your habit? Right now, try to ready your time to do the important work, like looking for your favorite publication and reading a reserve. Beside you can solve your short lived problem; you can add your knowledge by the publication entitled Academic Advisement Program. Try to face the book Academic Advisement Program as your pal. It means that it can to be your friend when you really feel alone and beside that of course make you smarter than in the past. Yeah, it is very fortunated for you personally. The book makes you much more confidence because you can know almost everything by the book. So , let's make new experience along with knowledge with this book.

#### Jere Araujo:

What do you about book? It is not important with you? Or just adding material when you really need something to explain what you problem? How about your time? Or are you busy man? If you don't have spare time to do others business, it is gives you the sense of being bored faster. And you have spare time? What did you do? Every person has many questions above. They have to answer that question because just their can do that will. It said that about guide. Book is familiar in each person. Yes, it is right. Because start from on guardería until university need this specific Academic Advisement Program to read.

#### Marjorie Thompson:

A lot of people always spent their particular free time to vacation or maybe go to the outside with them family members or their friend. Are you aware? Many a lot of people spent they free time just watching TV, or perhaps playing video games all day long. If you want to try to find a new activity honestly, that is look different you can read a new book. It is really fun for you. If you enjoy the book that you just read you can spent all day long to reading a book. The book Academic Advisement Program it is quite good to read. There are a lot of people who recommended this book. They were enjoying reading this book. Should you did not have enough space to create this book you can buy often the e-book. You can m0ore easily to read this book from a smart phone. The price is not to fund but this book features high quality.

#### Carlie Manson:

As a university student exactly feel bored in order to reading. If their teacher requested them to go to the library or even make summary for some guide, they are complained. Just tiny students that has reading's spirit or real their interest. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that reading through is not important, boring and can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Academic Advisement Program can make you really feel more interested to read.
