Days of the third (Part 1) (Volume 1) Ryno White

Pulling you into the eyes and into the mind of a struggling recording artist, Days of the Third is an introspective look at life in the digital age. Taking place, mostly in California= where the clocks click to a faster beat and the machine never stops! Written in a Romantic Realist style- with west coast vernacular smacking you over the head with philosophical idioms; slowly breaking down the walls between emotion and reason/ until it resembles a piece of the chaos that is named "The Post-modern Man".
