Your students will love this handy, dependable guide, and will carry it with them for frequent reference!

Designed for review, Critical Care Nursing outlines high acuity nursing processes -- including applicable maintenance and management in the home care setting -- providing up-close focus on essential material. Organized according to body system and diagnosis, the text also presents equipment trouble shooting, and lists and explains potential complications and their solutions. Each chapter parallels **Lippincott's Review Series: Medical-Surgical Nursing**, and evolves beyond what is presented in that text, providing advanced assessment cues and correlated interventions.
