**The secret life of America's Bible Belt: The swinging sex lives of everyday Americans, now made affordable!**

**Richard Prince** discovered **Naomi Harris** in TASCHEN's *The New Erotic Photography* and was so intrigued by her **photos of American swingers** that he tracked down the 34-year-old New Yorker, determined to make her his protégé. When he discovered TASCHEN had signed her to do *America Swings* he asked to do an interview with her, where he reveals part of what makes her work so unique: *"When I look at one of your swinger photos what I'm looking at is mostly you 'outside' the picture looking at what you're photographing ... half-naked, all naked, taking these photos of next-door neighbors having sex ..."*

He refers to **Harris's secret for winning the confidence of her subjects**: to penetrate the world of middle class mate-swapping she had to join them, often working in just shoes and a tool belt to hold her camera gear. Her extreme technique worked so well that **in 48 months she was able to photograph 38 parties, crisscrossing the country** from Mahwah, New Jersey, to Pleasanton, California; from Big Lake, Minnesota, to Washington, Texas.

Her subjects are not the usual perfected androids who populate contemporary erotica, but **ordinary people with extraordinary sex lives**, including multi-orgasmic schoolteachers, polyamorous nurses, bi-sexual senior citizens and the Mandingos, a group of African-American men who service white wives. **This book explores a rarely-seen side of sex in America.**

**Standard hardcover edition! The original art edition is now available in a size and price affordable by all!**
