A Social History of Ancient Ireland, Vol. 1: Treating of the Government, Military System, and Law; Religion, Learning, and Art; Trades, Industries, ... of the Ancient Irish People (Classic Reprint) P. W. Joyce

Excerpt from A Social History of Ancient Ireland, Vol. 1: Treating of the Government, Military System, and Law; Religion, Learning, and Art; Trades, Industries, and Commerce; Manners, Customs, and Domestic Life, of the Ancient Irish People

An important function of History is to depict social and domestic life. If we wish to obtain a clear view of the general state of any particular country in past times, we shall need to have a good knowledge of the people, high and low, rich and poor; their standards of civilisation, religion, and learning; their virtues and failings; their industries, occupations, and amusements; their manners and customs; and the sort of life they led day by day in their homes.

The social condition of most of those ancient nations that have made any figure in the world has been investigated and set forth in books; and perhaps it will be acknowledged that Ireland deserves to be similarly commemorated. For, besides the general importance of all such studies in elucidating the history of the human race, the ancient Irish were a highly intellectual and interesting people; and the world owes them something, as I hope to be able to show.
