Mommywood Tori Spelling

If you thought Tinseltown was tough...

Tori Spelling might have grown up with everything a girl could wish for, but these days she's just another suburban working mom...whose toddler regularly recognizes her in the pages of *Us Weekly*. Welcome to *Mommywood*, where the stars are two feet tall and your neighbors know who you are before you move in.

Like most parents, Tori wants her children to have the one thing she didn't have as a kid -- a normal family. On their hit Oxygen reality show, *Tori & Dean: Home Sweet Hollywood*, the starlet and her husband Dean McDermott regularly wrestle dirty diapers, host the neighborhood block party, and tackle temper tantrums on the red carpet. But when the cameras aren't rolling, Tori's still having awkward run-ins with a former *90210* costar at a laser tag birthday party, scooping rogue poo out of the kiddie pool on a resort vacation, and racing to win back her pre-baby body before the media starts calling her fat. For all her suburban fantasies, Tori Spelling is no June Cleaver.

With the same down-to-earth wit that made her entertaining memoir *sTORI telling* a #1 *New York Times* bestseller, Tori tells the hilarious and humbling stories of life as a mom in the limelight. From learning to be the kind of parent her own mother never was to revealing what it's like to raise a family while everyone is watching, *Mommywood* is an irresistible snapshot of celebrity parenthood that you won't get from the paparazzi.

From reader reviews:

Thomas Llanos:

Why don't make it to become your habit? Right now, try to prepare your time to do the important work, like looking for your favorite reserve and reading a publication. Beside you can solve your condition; you can add your knowledge by the publication entitled Mommywood. Try to stumble through book Mommywood as your buddy. It means that it can being your friend when you really feel alone and beside that of course make you smarter than ever. Yeah, it is very fortunated for you personally. The book makes you a lot more confidence because you can know everything by the book. So , let me make new experience in addition to knowledge with this book.

Kerry Erdman:

Throughout other case, little men and women like to read book Mommywood. You can choose the best book if you love reading a book. So long as we know about how is important a new book Mommywood. You can add know-how and of course you can around the world by way of a book. Absolutely right, due to the fact from book you can know everything! From your country right up until foreign or abroad you may be known. About simple issue until wonderful thing you could know that. In this era, we could open a book or searching by internet gadget. It is called e-book. You can use it when you feel uninterested to go to the library. Let's read.

Amy Lewis:

Book is written, printed, or illustrated for everything. You can know everything you want by a guide. Book has a different type. As we know that book is important factor to bring us around the world. Next to that you can your reading proficiency was fluently. A guide Mommywood will make you to end up being smarter. You can feel a lot more confidence if you can know about anything. But some of you think this open or reading any book make you bored. It is not necessarily make you fun. Why they are often thought like that? Have you searching for best book or suitable book with you?

William Matthews:

What do you with regards to book? It is not important to you? Or just adding material when you need something to explain what your own problem? How about your spare time? Or are you busy man or woman? If you don't have spare time to perform others business, it is gives you the sense of being bored faster. And you have extra time? What did you do? All people has many questions above. They have to answer that question simply because just their can do that will. It said that about reserve. Book is familiar in each person. Yes, it is right. Because start from on jardín de infancia until university need this kind of Mommywood to read.
