When does love end?

Zena hopes that a six month stay in Brittany will free her from the over-whelming sense of loss and regret at the end of a long term relationship. At 39, can she find a new direction in a foreign country? Or will she remain locked in a spiral of mourning for the great love of her life?

The Five of Cups

In accordance with the maxim 'tarot only tells you what you know already', Zena has to come to terms with the message of the Five of Cups and learn to accept her own responsibility for the future.

She finds herself drawn into a world of magic and legend that opens her eyes to unexpected possibilities - but can she really shake off the powerful grip of the past?

A magical landscape

Set in the wilds of western Brittany, this atmospheric tale explores the themes of love, loss and renewal.

Wendy Mewes, with her customary humour and sympathy, portrays a varied cast of characters facing personal challenges in the pursuit of happiness.
