Let Us Prey (Gotcha Detective Agency) Jamie Lee Scott

Mimi Capurro, owner of Gotcha Detective Agency, has been hired to protect New York Times bestselling author, Lauren Silke, who was recently assaulted in the bathroom at a paranormal conference. Though Mimi is hired to act as bodyguard for Lauren's upcoming book tour, plans change when Lauren's assistant is murdered and the slaying is a replica of a scene from Lauren's newest novel. A novel that hit bookstores the same day as the killing. Now instead of playing bodyguard, Mimi is cracking computer code, and chasing down vampires. These vampires come alive on the streets of Santa Cruz, as part of a live-role-playing game. Mimi must find the connection between the vampires and the author to track down the killer. This would be much easier if Detective Nick Christianson wanted her investigating the case. Nick, Mimi's old college fling, is the lead homicide investigator. Though he wants her off the case, he also wants to pump her for information. Nick may have used her in the past, but this time she'll use him to try to catch the murderer first.
