Bobby, Katie and Timmy are classmates in Mrs. Ruby's room and are best friends. They all love their teacher very much.

One day the class decides to throw a surprise party for her birthday and each child will give her a gift. Bobby doesn't know what to get since he can't afford a store bought present like the other children.

After seeing their presents, he is embarrassed about what he got for Mrs. Ruby and tries to hide at his desk. When she questions him, he is met with laughter and derision by his classmates.

He learns a valuable lesson from her about friendship, giving and the importance of being true to oneself.
