## **White Trash** Alexandra Allred

“White trash” can be found in any small, rural town in the U.S. But when Thia Franks returns to her home of Granby, Texas, the very place to which she had vowed she’d never return, Granby’s worst and best elements force the new single mother to face both her past and her destiny. At first, it seems that nothing has changed: Chester Kennedy’s goats continue to run rampant through the town, Officer Tina Wolfe stands accused of racial profiling the growing Hispanic community, Thia’s gun-wielding neighbor believes a squirrel has it in for her, and the town’s local newspaper owner prints only what she believes the citizens should know. But when a young black man – an upstanding and popular citizen of the small, east-central Texas town – is brutally murdered, everything changes. Everyone is being watched. Everyone is being judged. *White Trash* is a fast-paced, laugh-out-loud book that also serves as a bitter social commentary on American hypocrisies and prejudices. As Thia comes to terms with the murder and the small police department works the biggest who-dun-it in Granby history, a startling underworld of domestic abuse, gunrunning, drug use, illicit sex, and child molestation is revealed. While the murder is horrendous and some of the citizens of Granby are appalling, many stand up for what is right, and the total package is endearing. You’ll want to read *White Trash* more than once to capture all of the tale’s insights – as it neatly summarizes the reality of every American small town, peopled with neighbors you can’t get away from, you can’t stop talking about, and you may not want to leave.

### From reader reviews:

#### **Todd Pfeifer:**

Now a day folks who Living in the era where everything reachable by interact with the internet and the resources included can be true or not call for people to be aware of each data they get. How many people to be smart in acquiring any information nowadays? Of course the answer then is reading a book. Reading through a book can help persons out of this uncertainty Information mainly this White Trash book because book offers you rich facts and knowledge. Of course the data in this book hundred per-cent guarantees there is no doubt in it you probably know this.

#### **Kim Salgado:**

Nowadays reading books become more than want or need but also get a life style. This reading habit give you lot of advantages. The huge benefits you got of course the knowledge your information inside the book that will improve your knowledge and information. The details you get based on what kind of publication you read, if you want attract knowledge just go with training books but if you want sense happy read one along with theme for entertaining like comic or novel. The White Trash is kind of reserve which is giving the reader erratic experience.

#### **Carol Anthony:**

Information is provisions for individuals to get better life, information nowadays can get by anyone on everywhere. The information can be a information or any news even a problem. What people must be consider while those information which is inside former life are challenging be find than now could be taking seriously which one would work to believe or which one the particular resource are convinced. If you have the unstable resource then you get it as your main information we will see huge disadvantage for you. All of those possibilities will not happen inside you if you take White Trash as your daily resource information.

#### **Alma Medina:**

Reading a e-book tends to be new life style on this era globalization. With reading you can get a lot of information that will give you benefit in your life. Using book everyone in this world can easily share their idea. Books can also inspire a lot of people. Many author can inspire their very own reader with their story or perhaps their experience. Not only situation that share in the books. But also they write about the ability about something that you need case in point. How to get the good score toefl, or how to teach your kids, there are many kinds of book which exist now. The authors nowadays always try to improve their talent in writing, they also doing some study before they write with their book. One of them is this White Trash.
