**Monitoring and Evaluation Training** fills a gap in the literature by providing readers with a systematic approach to monitoring and evaluation (M&E) training for programs and projects. Bridging theoretical concepts with practical, how-to knowledge, authors Scott Chaplowe and J. Bradley Cousins draw upon the scholarly literature, applied resources, and over 50 years of combined experience to provide expert guidance for M&E training that can be tailored to different training needs and contexts, from training for professionals or non-professionals, to organization staff, community members, and other groups with a desire to learn and sustain sound M&E practices.
