Snips and snails and puppy dog tails—...that's how the old nursery rhyme goes, but parents know that a baby boy is made of so much more. In this companion book to *Sugar & Spice*, illustrator Becky Kelly and writer Patrick Regan have once again teamed up to create a perfect gift for new parents—but this time it's all about the boys. Spirited and sprightly, the extraordinary illustrations and charming text capture all the boisterous joy that bouncing baby boys bring into the world.
