A Warrior with a Grudge...

At thirty-one Valan Erikson is a fierce and relentless warrior. He's never lost a battle but he's losing the war with the mating fever raging in his body. He's accepted that his death is imminent until he's told a compatible race of females has been found. When he discovers they're Wrothian he refuses to take one as a mate until the Council threatens to strip him of his warrior status and let him die in dishonor.

A Female Who Wants to Escape Her Fate...

Lia ad-San's Wrothian sire has arranged to trade her to, Gorm ad-Jai, a man she despises. Before she can escape she's abducted by a fierce warrior. Unaware that her sire caused the deaths of the Zarronian females, including Valan's mother and twin sister, she reveals her identity and demands to be freed.

A Complication They Didn't Expect...

Enraged to be bonded to the daughter of his most hated enemy, Valan treats Lia as a prisoner rather than a beloved bondmate. When the Zarronians learn her identity they demand she be punished for her sire's war crimes. Valan realizes too late that he's endangered his mate's life. The fever they share will keep them together but only love can make them want each other.
