Will Lee, the courageous and uncompromising senator from Georgia, is back-now as President of the United States-in this fifth book of the *New York Times* bestselling series that began with *Chiefs*.

When a prominent conservative politician is killed inside his lakeside cabin, authorities have no suspect in sight. And two more seemingly different deaths might be linked to the same murderer. From a quiet D.C. suburb to the corridors of power to a deserted island hideaway in Maine, Will, his CIA director wife, Kate, and the FBI will track their man, set a trap-and await the most dangerous kind of quarry, a killer with a cause to die for...
