In This Time and In This Place: American Jewry 3.0 Dr. Steven Windmueller

In This Time and In This Place brings together, for the first time, a comprehensive collection of Dr. Steven Windmueller's commentaries on politics, power and religion. This anthology explores the various elements that have defined the American Jewish story, including the trends that have shaped American Judaism, its institutions, policies and practices; the relationship between Jewish and other constituencies; the principles of Jewish communal leadership and management; and the impact of global anti-Semitism. These and other themes comprise this body of work, drawn from more than twenty-five years of Dr. Windmueller's communal practice and academic engagement.
