## **Nonprofit Boards: Roles, Responsibilities, and Performance** Diane J. Duca

Any nonprofit that wants to survive beyond the nineties had better be governed by an effective, flexible board of directors. But what role should a nonprofit board play in fulfilling the organization's mission? How should the board carry out its responsibility to see that funds and other resources are used in the most efficient possible manner? How can the board perform its duties without alienating staff members? What pitfalls can divert a nonprofit board from addressing critical board functions?

*Nonprofit Boards: Roles, Responsibilities, and Performance* answers these questions and many more. This practical guide is dedicated to helping nonprofit board members, chairpersons, and executive directors develop and manage effective boards, empowered to respond to the special needs of their organizations. Diane J. Duca offers different ways to approach organizing and utilizing a board by presenting different board models. Using case studies and illustrations from real-life situations, she explores every aspect of board management, clarifies the roles of board members and executives, and discusses the board's legal and ethical obligations.

In her discussion of core responsibilities--strategic planning, policy setting, fiscal oversight, and fund-raising--Ms. Duca focuses on creating a spirit of cooperation between board and staff. Nonprofit boards that successfully fulfill their obligations and perform responsibly inspire staff members and set an example for everyone in the organization.

Regardless of your organization's managerial style or the structure of your board--passive or active, entrepreneurial or averse to risk--this invaluable guide will help board members and staff to develop mission-based policies, increase support, and improve communications between board and staff. Nonprofit board members who understand and accept their roles as trustees offer a vital service not only to their organization but also to society. *Nonprofit Boards* is designed to help them carry out this important duty.

"In my opinion, what was desperately needed from us 'volunteers' were resources, advocacy in the community, and hands-on help for a shoestring operation; instead, we acted like a judiciary body of advisors and critics."--Letter from a Former Board Member of a Nonprofit Organization

Too often, a nonprofit organization's efforts to fulfill its mission or use its resources efficiently are frustrated by an ineffectual, poorly defined, or adversarial relationship between the board and staff. *Nonprofit Boards: Roles, Responsibilities, and Performance* will help executives and board members avoid these conflicts with invaluable guidance and strategies for effective board management. Using case studies and real-life examples, it
