## **Tasty Baby Belly Buttons** Judy Sierra

According to legend, Japanese villagers once lived in fear of great hulking ogres called Onis who considered babies' belly buttons the tastiest of all treats. When they raided a village it was the babies they stole. In a delightful retelling of the folktale, Judy Sierra has added a feminist twist in the person of a fearless young heroine, determined to stop them. Little Urikohme, or Melon Princess, was born inside a watermelon and has no bellybutton. She travels to the Onis' fortress island, and with the help of some animal friends, rescues the babies, leaving the Onis crying for mercy. A wonderful short tale to read aloud, children will gleefully join in the Onis' chant and cheer at the triumph of small over large. In cleverly inspired watercolors, Meilo So outfits the Melon Princess in a watermelon-designed kimono and her humorous depiction of the oversized bullies is sure to elicit giggles. An author's note discusses the origin of the tale and its place in Japanese folklore.

You can m0ore simply to read this book from the smart phone. The price is not very costly but this book features high quality.

#### Bettye Heinrich:

As a scholar exactly feel bored to help reading. If their teacher inquired them to go to the library or even make summary for some reserve, they are complained. Just little students that has reading's soul or real their pastime. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that reading is not important, boring along with can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Tasty Baby Belly Buttons can make you feel more interested to read.
