Don't wait. You will be many steps closer to succes with the use of this great book.

I have read many monologue compilations, but this one is excellent! The material is relevant and very good. I also loved the characters. Plus all of the pieces can be done together as a single work. Very cool book. I'd give it an A+ for originality.

A great study for would be actors or comedians of any type, highly recommended, November 13, 2008

A monologue makes the speaker the sole star - no other people, no props, it's all on their own skill. "Art of the Monologue: Monologues They Haven't Heard Yet" is a guide to the art form and how to do it well. Ranging from an acting monologue, such as the famous ones from plays such as Hamlet, to soliloquy, to Stand-Up Comedy, to storytelling to any act of standing on a stage and speaking to entertain a crowd. "Art of the Monologue" is a great study for would be actors or comedians of any type, highly recommended.
