Gertrude Stein

Fernhurst, Q.E.D. and Other Early Writings Gertrude Stein

"A superb initiation into the mysteries of Miss Stein." ?*Christian Science Monitor*

Gertrude Stein began the creative work that was to earn her the reputation as one of the most original writers of this century with the three pieces in this volume. *Fernhurst*, a fictional episode based on a Bryn Mawr scandal of the early 1900s, explores the labyrinth of love between man and woman and between woman and woman; *Q.E.D.* fictionalizes an early Stein romance (doomed finally by a rival); and the third selection is an early draft of *The Making of Americans*, which records Stein's struggle toward maturity as woman and artist. Essential works of a significant twentieth-century literary voice.
