Freedom of Speech: Mightier Than the Sword David K. Shipler
A provocative, timely assessment of the state of free speech in America

With his best seller *The Working Poor*, Pulitzer Prize winner and former *New York Times* veteran David K. Shipler cemented his place among our most trenchant social commentators. Now he turns his incisive reporting to a critical American ideal: freedom of speech. Anchored in personal stories—sometimes shocking, sometimes absurd, sometimes dishearteningly familiar—Shipler’s investigations of the cultural limits on both expression and the willingness to listen build to expose troubling instabilities in the very foundations of our democracy.

Focusing on recent free speech controversies across the nation, Shipler maps a rapidly shifting topography of political and cultural norms: parents in Michigan rallying to teachers vilified for their reading lists; conservative ministers risking their churches’ tax-exempt status to preach politics from the pulpit; national security reporters using techniques more common in dictatorships to avoid leak prosecution; a Washington, D.C., Jewish theater’s struggle for creative control in the face of protests targeting productions critical of Israel; history teachers in Texas quietly bypassing a reactionary curriculum to give students access to unapproved perspectives; the mixed blessings of the Internet as a forum for dialogue about race.

These and other stories coalesce to reveal the systemic patterns of both suppression and opportunity that are making today a transitional moment for the future of one of our founding principles. Measured yet sweeping, *Freedom of Speech* brilliantly reveals the triumphs and challenges of defining and protecting the boundaries of free expression in modern America.

From reader reviews:

Frank Dawson:

Why don't make it to become your habit? Right now, try to prepare your time to do the important behave, like looking for your favorite publication and reading a book. Beside you can solve your problem; you can add your knowledge by the guide entitled Freedom of Speech: Mightier Than the Sword. Try to make book Freedom of Speech: Mightier Than the Sword as your buddy. It means that it can to become your friend when you truly feel alone and beside associated with course make you smarter than ever. Yeah, it is very fortunated for you personally. The book makes you a lot more confidence because you can know anything by the book. So , let me make new experience and knowledge with this book.

Sandra Maes:

What do you think about book? It is just for students because they are still students or the idea for all people in the world, the particular best subject for that? Simply you can be answered for that problem above. Every person has various personality and hobby for each other. Don't to be pushed someone or something that they don't wish do that. You must know how great and important the book Freedom of Speech: Mightier Than the Sword. All type of book are you able to see on many methods. You can look for the internet methods or other social media.

Sarah Petty:

Reading can called mind hangout, why? Because if you are reading a book specially book entitled Freedom of Speech: Mightier Than the Sword the mind will drift away trough every dimension, wandering in most aspect that maybe unidentified for but surely might be your mind friends. Imaging just about every word written in a guide then become one form conclusion and explanation that maybe you never get just before. The Freedom of Speech: Mightier Than the Sword giving you an additional experience more than blown away your thoughts but also giving you useful details for your better life in this particular era. So now let us teach you the relaxing pattern the following is your body and mind will be pleased when you are finished reading it, like winning a game. Do you want to try this extraordinary wasting spare time activity?

Elsie Hawkins:

As a student exactly feel bored to help reading. If their teacher requested them to go to the library or even make summary for some guide, they are complained. Just minor students that has reading's spirit or real their passion. They just do what the educator want, like asked to the library. They go to there but nothing reading really. Any students feel that examining is not important, boring and also can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this Freedom of Speech: Mightier Than the Sword can make you sense more interested to read.
