**Striper Moon: Fly Fishing Techniques and Flies for Striped Bass in Estuary, River, Bay & Surf**  
Kenney Abrames

This is a beautifully written, all-color book about coast wade fly fishing (near the shore) for striped bass. Abrames explains tides and baitfish and covers techniques, reading the water, and the flies to use (shown in color and with pattern dressings). The author has a deep love and understanding of the fishery and I guarantee that you will want to fly fish for these wonderful fish after you read it!
