The Love Letters of Great Men - The Most Comprehensive Collection Available Prince Albert, Napoleon Bonaparte, D. H. Lawrence

"Letters are among the most significant memorial a person can leave behind them" said Johann Wolfgang von Goethe. This English Rose book is the most comprehensive collection of love letters available, containing a huge selection of some of the all time greatest love letters ever written. You will find in here all of the classics - Napoleon Bonaparte, Lord Byron, John Keats, Henry VIII, Ludwig van Beethoven etc. - but you will also find some treasures, little known and rarely published love letters, such as those of Prince Albert, D. H. Lawrence, Sigmund Freud, Horatio Lord Nelson and Abraham Lincoln. Whatever the tone, the context or style of the writing here displayed, what is true is that these letters are genuinely captivating. Throughout history, great men have written noble tomes. Their love letters are no exception. We can find in these correspondences some of the most delectable personal effusions ever written, the most incredible demonstrations of devotion and affection - not fictional, but real, impassioned, painful and heart-wrenching. Our interest in reading these letters, is partly in their magnificent language, their eloquent expressions of love, their romantic effluence, but also, it is in their demonstrations of the universal human vulnerability in love. Love letters infectiously render past lives into our modern reality, immersing the reader in the author's home, habits, enjoyments and romances. These men come to life through their personal letters, more so than anywhere else. They show us the human side of men who stand as giants in history, whose actions and legacies have helped to shape the world as we know it. In their moment of separation, without the crowd, without the nobility or the just cause, here, in their most vulnerable, exposed state, we see the person behind the celebrity. With these letters we have the unique ability to spy on the personal lives of men considered 'great'. Their humanity, so lacking in the history books, is all we are privy to here. There is no great action, no battle won, no literary accomplishment, only deep personal feeling and romantic expression. This English Rose book is a high quality, well formatted, stunning hardback edition. English Rose love books and think that every one is special, so our editions will always be distinctive, professional and unique.
