## Aging Mothers and Their Adult Daughters: A Study of Mixed Emotions

"As far as I am aware, there is no other scholarly book on adult mother/daughter relationships, particularly one that incorporates data from pairs of mothers and daughters...I believe that the contents provide useful material for instructors, researchers, and therapists alike."

- Rosemary Blieszner, PhD

Professor of Gerontology and Family Studies

Virginia Polytechnic Institute and State University

The mother/daughter tie is one that persists well past childhood and it takes on unique characteristics as daughter enter midlife and mothers enter old age. Incorporating vivid descriptions by mothers and daughters about their relationships, this book addresses both the rewards and the costs that mothers and daughters incur in maintaining their relationships into old age. For psychologists, gerontologists, and sociologists, as well as academics and researchers in women's and family studies.
