Attacking Soccer Drills: 10 Training Ground Exercises Marcus DiBernardo

The “Attacking Soccer Guide” combines a variety of my favorite attacking exercises which I use with my team on a regular basis. The exercises range from counter attacking drills to attacking passing patterns. I am confident you will find value in all the exercises. Don’t be surprised if your team starts scoring more goals! The “10 for 10 Soccer Coaching Series” is simply 10 Soccer Coaching topics combined with 10 training exercises for each topic. This series like all my books is written in a simple and clear way. The objective is to provide coaches with high quality information and exercises that can be used directly on the training ground and applied to the 11v11 game.
