Catch a Fire: The Life of Bob Marley Timothy White

The classic biography of reggae legend Bob Marley, updated and revised for the twenty-fifth anniversary of his death

Bob Marley left an indelible mark on modern music, both as a reggae pioneer and as an enduring cultural icon. *Catch a Fire*, now a classic of rock biography, delves into the life of the leader of a musical, spiritual, and political explosion that continues today.

Under the supervision of the author's widow and with the collaboration of a Marley expert, this fourth edition contains a wealth of new material on the Jamaican singer, songwriter and musician, including many revisions made by the author before his untimely death. An appendix to the new edition chronicles Marley's legacy in recent years, as well as the ongoing controversy over the possibility that Marley's remains might be exhumed from Nine Mile, Jamaica, and reburied in Addis Ababa, Ethiopia, where hundreds of Rastafarians live. The new edition also contains an expanded discography and is factually updated throughout.

"Probably the finest biography ever written about a popular musician." *San Francisco Chronicle*

"As close as rock journalism comes to transcendent literature."
Playboy

"White has a deep appreciation for reggae's immediacy, hypnotic power, and contradictions . . . An exhaustively researched labor of love." *Chicago Sun-Times*

From reader reviews:

Kim Bartlett:

Do you have favorite book? When you have, what is your favorite's book? E-book is very important thing for us to find out everything in the world. Each e-book has different aim or even goal; it means that book has different type. Some people really feel enjoy to spend their a chance to read a book. They are really reading whatever they consider because their hobby is usually reading a book. Why not the person who don't like looking at a book? Sometime, man or woman feel need book if they found difficult problem or maybe exercise. Well, probably you will need this Catch a Fire: The Life of Bob Marley.

Steven Anderson:

Book will be written, printed, or outlined for everything. You can recognize everything you want by a e-book. Book has a different type. We all know that that book is important thing to bring us around the world. Beside that you can your reading ability was fluently. A book Catch a Fire: The Life of Bob Marley will make you to become smarter. You can feel considerably more confidence if you can know about every thing. But some of you think this open or reading the book make you bored. It is not make you fun. Why they are often thought like that? Have you searching for best book or suitable book with you?

Robert Berman:

Many people spending their time by playing outside along with friends, fun activity using family or just watching TV the whole day. You can have new activity to shell out your whole day by studying a book. Ugh, do you consider reading a book really can hard because you have to take the book everywhere? It alright you can have the e-book, taking everywhere you want in your Touch screen phone. Like Catch a Fire: The Life of Bob Marley which is keeping the e-book version. So , why not try out this book? Let's view.

Robert Tanaka:

As a college student exactly feel bored in order to reading. If their teacher requested them to go to the library as well as to make summary for some reserve, they are complained. Just very little students that has reading's soul or real their leisure activity. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that reading is not important, boring and also can't see colorful pics on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Catch a Fire: The Life of Bob Marley can make you feel more interested to read.
