Chivalry: The Everyday Like of the Medieval Knight Leon Gautier

CHIVALRY has fascinated Western civilization for over a millennium, from way back when Knighthood was in flower, all the way to present day. Today, this fascination is as prevalent as it ever was, manifesting itself in works such as J.R.R. Tolkien's *The Lord of the Rings*.

But what IS Chivalry? Is it proper manners (the lack of which, especially toward ladies, is sometimes spoken of as "Chivalry being dead")? Is it kindness? Steadfastness? It is all of those things, and much more. Leon Gautier, the author of this magnificent book, describes it thusly: "Chivalry is the Christian form of the military profession: the knight is the Christian soldier." In a word, it is militant Christianity. But this is neither a religion confined to Sunday worship, nor a profession restricted to barracks; nor yet are the religion and the profession at all separate from each other. It is the armed defense of the unarmed Truth.

In his work, Gautier leaves no stone unturned, covering every aspect of the knight: his birth, education, marriage, everyday life, battle, and death. He also dedicates several chapters to the code of chivalry, which serves as the ten commandments of knighthood.

Let Gautier take you back to a time when Christians had to defend all that they hold dear: their families, their property, their country, and their Faith.

Vickie Miller:

Is it anyone who having spare time then spend it whole day simply by watching television programs or just laying on the bed? Do you need something totally new? This Chivalry: The Everyday Like of the Medieval Knight can be the respond to, oh how comes? A fresh book you know. You are so out of date, spending your extra time by reading in this completely new era is common not a nerd activity. So what these publications have than the others?

Stacey Greene:

As a university student exactly feel bored in order to reading. If their teacher questioned them to go to the library as well as to make summary for some publication, they are complained. Just tiny students that has reading's heart and soul or real their passion. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading really. Any students feel that studying is not important, boring along with can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Chivalry: The Everyday Like of the Medieval Knight can make you feel more interested to read.
