A book too hot to ignore!

Have you ever remembered one night from your wild days? You know the time when you explored your sexuality? Well I did.

Finally getting the job of a life time I am the secretary of none other than the gorgeous Gavin McCullough.

Sophisticated, smart and incredibly yummy he is everything a woman could want in a man except he is very married.

So I skip over my incredible tendencies to jump his bones there in the office and focus on work until I find out who his wife is. The woman I tried to forget.

My one and only lesbian experience.

What I thought could be an awkward situation turns into something only dreams are made of.
