Study Guide for Mastrianna's Basic Economics, 14th Frank V. Mastrianna

The Study Guide that accompanies the 14th edition of Basic Economics helps students learn and review concepts developed in the text and improve performance on examinations. Each chapter begins with a summary, followed by review questions, problems, and a reading with discussion questions. The review questions include matching (covering all key terms and definitions), multiple-choice, and true-false questions. The problems require numerical or graphical solutions where appropriate. The questions that follow the reading require written answers that help students gain new insights into material covered in the text chapter. Every question in the Study Guide is answered so that students can check the accuracy of their answers.
