Graduate Programs in Business, Education, Information Studies, Law & Social Work 2016 contains nearly 11,000 graduate programs across all of the relevant disciplines-including accounting and finance, business management, education, law, library and information sciences, marketing, social work, and many more. Informative data profiles for these graduate programs at more than 1,850 institutions are included, featuring facts and figures on accreditation, degree requirements, application deadlines, contact information, financial support, faculty, and student body profiles. Two-page in-depth descriptions, written by featured institutions, offer complete details on specific graduate program, school, or department as well as information on faculty research. Comprehensive directories list programs in this volume, as well as others in the graduate series.
