Piano-K. Play the Self-teaching Piano Game for Kids. Level 1 Victoria Mandly

Piano-K is an exciting new self-teaching game-book for children which does not require any previous music skills and the only one that integrates colors and figures into the score, and their matching stickers on the keyboard. The colorful animals' stickers allow kids to associate the notes on the keyboard with their places and names in the score without realizing that they are learning to read music. There are three levels of proficiency. The first level uses only one hand and one set of stickers so the child gets a basic overview of the keyboard. In the second level, the left hand is introduced and another set of stickers broadens the keyboard area played. In the third level, a third set of seven notes gives the music a richer dimension with several sounds played at the same time with both hands. Over-sized 11 x 17 inches.
