Raggedy Andy Stories (Classic children bedtime story) Annotated with author bibliography and how Ann and Andy became in books, toys and media Johnny Gruelle

Johnny Barton Gruelle created Raggedy Ann for his daughter, Marcella, when she brought him an old hand-made rag doll and he drew a face on it. From his bookshelf, he pulled a book of poems by James Whitcomb Riley, and combined the names of two poems, "The Raggedy Man" and "Little Orphant Annie." He said, "Why don't we call her Raggedy Ann?"

This is the classic juvenile book. When you read it, you can trace back yourself to the enjoyable childhood. And even though, you read it with your children, it will make the little child exciting and increase more imagination at all.

I put the author's bibliography with his novel's list. When you read his profile, you will know how he create this lovely book like this. And you may want to know the history of Ann and her brother - Andy, how they became the toy and in the media too.
