Review Questions for the NCLEXRN Examination Dolores F. Saxton, Patricia M. Nugent, Phyllis K. Pelikan, Judith S. Green

Mosby's Review Questions for the NCLEX-RN® Examination, 5th Edition provides students with over 5,000 practice test questions in both the pencil-and-paper and electronic testing modes. The questions are designed to provide a self-study method for students to assess their nursing knowledge and their strengths and weaknesses in the test-taking process. The questions are grouped by several different categories to meet different learning needs, from specific categories of concern to broader clinical areas to comprehensive mixed exams. The exams parallel the latest NCLEX-RN test plan and include examples of the new alternate item formats. A CD-ROM packaged with the text gives students practice with a computerized testing format.

- **BOOK**

- Assigns a new Critical Thinking/Professional Decision-Making code to each test question in the areas of Clinical Management, Legal and Ethical Responsibility, or Managerial Responsibilities, to allow students to analyze their performance in these skill areas.
- Provides rationales for all answer options to explain why the correct answer is right and the other choices are wrong.
- Provides a choice of content-specific or comprehensive exams to give students manageable study choices.
- Furnishes tips on preparing and studying for the NCLEX-RN exam to reduce students' test anxiety.

- **CD-ROM**

- Packaged together with the book to give students opportunities to practice test questions in a computerized format.
- Gives students the option to answer questions in a review mode (with answers and rationales) or a test mode to give students a choice between study or self-test sessions.
- Provides a printout of test performance in each question category to give students feedback on their strengths and weaknesses.
