Transitions in Consciousness from an African American Perspective Carroy U. Ferguson

In this book, Carroy Ferguson presents a unique glimpse into the transitional stages in consciousness that many African Americans experience as they explore the essence of being a Black person in U.S. society and the world. Using a model of six transitional stages in consciousness, original essays, and discourses on the symbolism of various historical events, Ferguson engages readers in an intriguing reflective process to give them a better understanding of how transitions in consciousness_from an African American perspective_are largely shaped and greatly influenced by the 'psychology of the times.'
