Excerpt from Annual Report of the School Committee of the City of Charlestown: December, 1859

The School Committee of the City of Charlestown, as required by law, respectfully submit the following

Annual Report.

The appropriation by the City Council of \$44,100, will, we are happy to believe, be sufficient to meet all the expenses of the schools for the present financial year; and what will have been gained by the efforts of efficient and faithful teachers, to instruct, encourage, and advise the children entrusted to their charge, and to guide them into paths of duty and usefulness, will, we hope, be an adequate return for the very liberal provision made for the purpose.
