Early Modern Italy: A Social History (Social History of Europe)

Christopher F. Black

Early Modern Italy: A Social History (Social History of Europe) Christopher F. Black

Early Modern Italy is a fascinating survey of society in Italy from the fifteenth to the eighteenth centuries - the Renaissance to the Enlightenment. Covering the whole of the Peninsula from the Venetian Republic, to Florence, through to Naples it shows how the huge economic, cultural and social divides of the period still affect the stability of present day united Italy.

This is an essential guide to one of the most vibrant yet tempestuous periods of Italian history.
