# Elementary Algebraic Geometry: Second Edition (Dover Books on Mathematics)

*Prof. Keith Kendig*

**Elementary Algebraic Geometry: Second Edition (Dover Books on Mathematics)** Prof. Keith Kendig

Designed to make learning introductory algebraic geometry as easy as possible, this text is intended for advanced undergraduates and graduate students who have taken a one-year course in algebra and are familiar with complex analysis. This newly updated second edition enhances the original treatment's extensive use of concrete examples and exercises with numerous figures that have been specially redrawn in Adobe Illustrator.

An introductory chapter that focuses on examples of curves is followed by a more rigorous and careful look at plane curves. Subsequent chapters explore commutative ring theory and algebraic geometry as well as varieties of arbitrary dimension and some elementary mathematics on curves. Upon finishing the text, students will have a foundation for advancing in several different directions, including toward a further study of complex algebraic or analytic varieties or to the scheme-theoretic treatments of algebraic geometry. 2015 edition.

### **From reader reviews:**

#### **Terry Kline:**

Why? Because this Elementary Algebraic Geometry: Second Edition (Dover Books on Mathematics) is an unordinary book that the inside of the e-book waiting for you to snap that but latter it will distress you with the secret it inside. Reading this book alongside it was fantastic author who have write the book in such incredible way makes the content interior easier to understand, entertaining technique but still convey the meaning totally. So , it is good for you because of not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of advantages than the other book have such as help improving your proficiency and your critical thinking way. So , still want to hold off having that book? If I had been you I will go to the reserve store hurriedly.

#### **Arthur Lee:**

You could spend your free time you just read this book this reserve. This Elementary Algebraic Geometry: Second Edition (Dover Books on Mathematics) is simple to bring you can read it in the park your car, in the beach, train and also soon. If you did not have got much space to bring the printed book, you can buy the e-book. It is make you quicker to read it. You can save the particular book in your smart phone. So there are a lot of benefits that you will get when you buy this book.

#### **Bobby Hanke:**

Many people spending their moment by playing outside together with friends, fun activity using family or just watching TV all day long. You can have new activity to pay your whole day by reading a book. Ugh, think reading a book can actually hard because you have to accept the book everywhere? It alright you can have the e-book, bringing everywhere you want in your Smart phone. Like Elementary Algebraic Geometry: Second Edition (Dover Books on Mathematics) which is finding the e-book version. So , try out this book? Let's find.

#### **Vivian Stafford:**

As a university student exactly feel bored to help reading. If their teacher questioned them to go to the library in order to make summary for some e-book, they are complained. Just very little students that has reading's spirit or real their interest. They just do what the professor want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that looking at is not important, boring and can't see colorful images on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Elementary Algebraic Geometry: Second Edition (Dover Books on Mathematics) can make you truly feel more interested to read.
