Kirbie Amor may have made it into the music industry, but she's starting to sense that it's just as treacherous as the drug game she left behind. Her first professional recording ends in a violent assault and she's learning that there's something strange going on with the company she's signed to. And what she doesn't know might hurt her. She tries to ignore it all and focus on the music and her longtime friend Coras Bane—instead of her fiancé Archie—but when she learns that Coras is back with his ex Monifa Chavis, Kirbie regrets ever letting Coras touch her sexually and vows to never let it happen again. But it's too late—her body has become accustomed to the touch of another man. And she's battling with the fact that she's attracted to not just Coras, but other men in her life besides Archie.

With plans to leave New York, La'Renz Taylor suspects that his enemy Elijah Golomb has found out that Sundi is working for him as a mole. After she gets fired and La'Renz discovers that he's being watched, he's certain of it. Then nude photos of Sundi and Elijah having sex land at La'Renz's hotel door, and in a fit of rage he attacks Sundi, even though Sundi warns him that he's playing into Elijah's hand. Sundi manages to escape from him by the grace of God, but when she makes it to the parking garage she has a feeling she's not alone. "Hello? Is anyone there?" Unfortunately for her, there is ...
