God on Your Own : Finding A Spiritual Path Outside Religion Joseph Dispenza

After spending eight years in a monastery, Joseph Dispenza walked away from his life as a monk and the religion of his youth in search of a different kind of spiritual path. Outside the confines of organized religion, Dispenza was able to create a spiritual life that gives direction and meaning to all he does and all he is. *God on Your Own* is written for anyone who has left (or is thinking of leaving) organized religion but wants to continue on a spiritual path. Written by noted author and retreat leader Joseph Dispenza, this book provides a spiritual road map for those who want to make the transition from conventional religion toward a richer and more satisfying direct relationship with the Source, without rules, dogmas, or doctrines. Throughout the book, Dispenza offers wise, compassionate guidance, speaking as one seeker to another. He has made this journey himself, gleaning spiritual truth from across traditions and practices.
