Le Washington Sports Curse: This Is Where The Healing Begins: An Everyday Sportsfan's Commentary On Life Brian Tenenhaus M.P.T.

This is not only a commentary on "le curse" that Washington sports fans have dealt with for decades now, but it is also healing for the everyday sports fan. We all can commiserate together, as every season there is only one winner, and dozens of losers. From the "Tuck rule" to the kick that went wide right, from the "music city miracle" to "the tackle" during Super Bowl XXXIV (my brother in law grew up rooting for the Tennessee Titans). This commentary not only discusses the trials and tribulations of fanship, but it touches on the tales of growing up and becoming a man in the world we live in today. Like a good steak on the grill, before a great game, with a German beer, ENJOY!
