Transition Strategies for Adolescents and Young Adults Who Use AAC

To make a smooth transition to a fulfilling, self-determined adult life, young people who use AAC need effective services that meet their individual needs and make the most of advances in technology. Professionals will provide these critical supports with the help of this book, the first complete guide to supporting the journey to adulthood for people who use AAC.

Combining the best research-based practices from diverse fields—including special education, vocational rehabilitation, and communication disorders—this essential resource covers every aspect of transition planning for young adults with a wide range of disabilities. Professionals will get the knowledge and strategies they need to help young people who use AAC

- **strengthen literacy skills**, so they can access educational, vocational, and social opportunities
- **succeed in secondary school**, participating fully in both academic and social arenas
- **make the transition to postsecondary education**, advocating for the accommodations and supports they need to access the core curriculum
- **achieve self-determination** by developing skills such as self-knowledge, decision making, and communication
- **secure employment** and enjoy a positive workplace experience
- increase autonomy and build friendships through **community recreation and leisure activities**
- **communicate effectively with personal assistants** to ensure that their support needs are met
- navigate the complex move from pediatric to adult **medical and health services**

Throughout the book, guidance from top experts is woven together with the personal stories of young adults who use AAC, shedding light on the challenges of transition and the research-based strategies that lead to positive outcomes. A much-needed resource for transition and employment specialists, vocational rehabilitation specialists, and special education teachers, this groundbreaking book will help professionals prepare young people who use AAC for successful adult lives—in school, at work, and in the community. Larisa Nagle:

Reading a reserve tends to be new life style on this era globalization. With reading through you can get a lot of information that can give you benefit in your life. Using book everyone in this world can share their idea. Books can also inspire a lot of people. Lots of author can inspire their reader with their story or even their experience. Not only the story that share in the guides. But also they write about the data about something that you need instance. How to get the good score toefl, or how to teach children, there are many kinds of book that you can get now. The authors on this planet always try to improve their talent in writing, they also doing some exploration before they write to the book. One of them is this Transition Strategies for Adolescents and Young Adults Who Use AAC.

Julio Huntsman:

Precisely why? Because this Transition Strategies for Adolescents and Young Adults Who Use AAC is an unordinary book that the inside of the guide waiting for you to snap this but latter it will jolt you with the secret this inside. Reading this book beside it was fantastic author who all write the book in such awesome way makes the content interior easier to understand, entertaining technique but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this anymore or you going to regret it. This phenomenal book will give you a lot of rewards than the other book possess such as help improving your ability and your critical thinking technique. So , still want to hesitate having that book? If I had been

you I will go to the reserve store hurriedly.
