War Nerd Gary Brecher

Self-described war nerd Gary Brecher knows he's not alone, that there's a legion of fat, lonely Americans, stuck in stupid, paper-pushing desk jobs, who get off on reading about war because they hate their lives. But Brecher writes about war, too. *War Nerd* collects his most opinionated, enraging, enlightening, and entertaining pieces. Part war commentator, part angry humorist à la Bill Hicks, Brecher inveighs against pieties of all stripes — Liberian generals, Dick Cheney, U.N. peacekeepers, the neo-cons — and the massive incompetence of military powers. A provocative free thinker, he finds much to admire in the most unlikely places, and not always for the most pacifistic reasons: the Tamil Tigers, the Lebanese Hezbollah, the Danes of 1,000 years ago, and so on, across the globe and through the centuries. Crude, scatological, un-P.C., yet deeply informed, Brecher provides a radically different, completely unvarnished perspective on the nature of warfare.
