Jack: A Life of C. S. Lewis

George Sayer

Jack: A Life of C. S. Lewis George Sayer

As I walked away from New Buildings, I found the man that Lewis had called "Tollers" sitting on one of the stone steps in front of the arcade.

"How did you get on?" he asked.

"I think rather well. I think he will be a most interesting tutor to have."

"Interesting? Yes, he's certainly that," said the man, who I later learned was J. R. R. Tolkien.

"You'll never get to the bottom of him."

Over the next twenty-nine years, author George Sayer's first impression about C. S. Lewis proved true. He was interesting; but he was more than just that. He was a devout Christian, gifted literary scholar, best-selling author, and brilliant apologist. Sayer draws from a variety of sources, including his close friendship with Lewis and the million-word diary of Lewis's brother, to paint a portrait of the man whose friends knew him as Jack.

Offering glimpses into Lewis's extraordinary relationships and experiences, Jack details the great scholar's life at the Kilns; days at Magdalen College; meetings with the Inklings; marriage to Joy Davidman Gresham; and the creative process that produced such world-famous works as the classic *Chronicles of Narnia*, *Mere Christianity*, and *The Screwtape Letters*.

This book is an intimate account of the man who helped—and through his works, continues to help—generations hear and understand the heart of Christianity.

Christi Shoup:

Do you like reading a book? Confuse to looking for your favorite book? Or your book was rare? Why so many concern for the book? But almost any people feel that they enjoy regarding reading. Some people likes reading through, not only science book but also novel and Jack: A Life of C. S. Lewis or perhaps others sources were given know-how for you. After you know how the fantastic a book, you feel would like to read more and more. Science e-book was created for teacher as well as students especially. Those guides are helping them to put their knowledge. In other case, beside science e-book, any other book likes Jack: A Life of C. S. Lewis to make your spare time considerably more colorful. Many types of book like this.

Marcia Marshall:

As a scholar exactly feel bored to help reading. If their teacher expected them to go to the library or even make summary for some reserve, they are complained. Just tiny students that has reading's spirit or real their passion. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading really. Any students feel that studying is not important, boring and also can't see colorful images on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Jack: A Life of C. S. Lewis can make you really feel more interested to read.
