Swami Achuthananda

Many Many Many Gods of Hinduism: Turning believers into non-believers and non-believers into believers Swami Achuthananda

Religion is the opium of the people, said Karl Marx many centuries ago. For more than a billion people living in India and abroad, Hinduism is the religion and a way of life. In this multi-award winning book, Swami Achuthananda cracks open the opium poppy pods, analyzes the causes for euphoria, and comes away with a deeper understanding of the people and their religion.

***** Winner 2014 Next Generation Indie Book Awards (Religious Non-fiction) *****

This is a comprehensive book on Hinduism. It tells you why Hindus do the things they do - and don't. Written in a casual style, the book guides you through the fundamentals of the religion. It then goes further and debunks a number of long-standing myths, some of them coming from the academia (of all places). While most books shy away from contentious issues, this book plunges headlong by taking on controversies, like the Aryan Invasion Theory, idol worship, RISA scholarship and many more. In fact one-third of the book is just on controversies that you rarely find in any other literature.

Other Awards:

***** Finalist - 2014 Pacific Book Awards (Religion) *****

***** Bronze - 2014 IPPY Award - (Religion) *****
