Peso perfecto (Salud Perfecta) (Spanish Edition) Deepak Chopra

En esta obra, Deepak Chopra presenta un programa de sencillas estrategias naturales para equilibrar mente y cuerpo con el fin de obtener su peso ideal. Para ayudar a identificar estas características de su particular fisiología, *Peso Perfecto* incluye un cuestionario sobre su tipo de cuerpo, basado en la tradicional ciencia de la salud conocida como Ayurveda. Una vez completado el cuestionario y después de familiarizarse con las descripciones que el Ayurveda hace del cuerpo y sus variaciones, podrá acceder a cinco mil años de sabiduría con respecto a la salud humana. *Peso Perfecto* es una obra clave para conocer la solución a un problema típico de los tiempos modernos, en los que la salud es un aspecto fundamental a tener en cuenta. / To help you identify the characteristics of your particular physiology, *Perfect Weight* includes questions about your body type based on the traditional Indian science of health known as Ayurveda. By answering these questions, and by becoming familiar with Ayurveda's astonishingly perceptive descriptions of the body and its variations, you can instantly gain access to five thousand years of wisdom about human health. With this as a starting point, you'll be able to recognize -- perhaps for the first time -- the real needs and rhythms of your body. You'll learn to see where, perhaps, you've broken with those rhythms and how to restore them. You'll gain the power to achieve your ideal weight without the physical pain, emotional stress, and eventual disappointment that are built into virtually all other weight control methods. By regaining balance in this very significant area of your life, and by enjoying the sense of health and well-being that comes with it, you'll take an important, inspiring step toward fulfilling the truly unlimited potential that nature intends for you.
