The Hat

Jan Brett

The Hat Jan Brett

When Lisa's woolen stocking flies off the clothesline, Hedgie finds it and pokes his nose in. He tries to pull it out, but the stocking gets stuck on his prickles -- and the fun begins.

A mother hen comes by, then a noisy goose, a talkative barn cat, a playful farm dog, a mama pig and her piglets, and a pony. They all laugh at Hedgie, especially when he pretends he's wearing a new hat. But in the end, it is clever Hedgie who has the last laugh.

And where is Lisa when all of this is going on? She's in the borders, getting ready for winter, until she realizes her stocking is missing and she enters the story to look for it.

Jan Brett's luminous paintings of a Scandinavian farm and the forest around it are bathed in northern light, as the snow begins to fall and the story begins, in this delightfully original companion book to *The Mitten*.

From reader reviews:

Bonita Crist:

Do you have favorite book? Should you have, what is your favorite's book? E-book is very important thing for us to be aware of everything in the world. Each publication has different aim as well as goal; it means that publication has different type. Some people feel enjoy to spend their a chance to read a book. These are reading whatever they acquire because their hobby is usually reading a book. What about the person who don't like examining a book? Sometime, particular person feel need book once they found difficult problem or perhaps exercise. Well, probably you should have this The Hat.

Nelson Berg:

What do you think of book? It is just for students since they are still students or this for all people in the world, the particular best subject for that? Only you can be answered for that question above. Every person has several personality and hobby per other. Don't to be obligated someone or something that they don't desire do that. You must know how great and important the book The Hat. All type of book are you able to see on many methods. You can look for the internet resources or other social media.

Kevin Loesch:

Information is provisions for individuals to get better life, information presently can get by anyone in everywhere. The information can be a information or any news even a concern. What people must be consider any time those information which is within the former life are hard to be find than now is taking seriously which one works to believe or which one the resource are convinced. If you receive the unstable resource then you have it as your main information it will have huge disadvantage for you. All of those possibilities will not happen throughout you if you take The Hat as the daily resource information.

Virginia Higgins:

Often the book The Hat will bring one to the new experience of reading the book. The author style to explain the idea is very unique. In the event you try to find new book to see, this book very suited to you. The book The Hat is much recommended to you to read. You can also get the e-book from official web site, so you can more easily to read the book.
